REFERRING PROFESSIONALS

Refer to us, if you have a person in your
care that needs special care dentistry.
We are experienced, equipped and staffed
to accommodate such patients.

Patients recommend us and professionals
refer to us as a resource for their dental needs.

SPECIAL CARE DENTISTRY

Geriatric, Special Needs,
Phobic, and Homebound

Our doctors have a long history of treating Special Care patients who require unique and compassionate care. This includes geriatric, special needs, medically compromised, phobic, and homebound patients with mobility limitations. Age related infirmities and conditions such as Autism, Alzheimer's, Parkinson's, Cerebral Palsy, Down Syndrome or extreme fear of dental treatment are all within our scope of practice.

HOUSE CALL DENTISTRY

Concierge, Private Homes and
Senior Centers

To provide care for patients when travel to a dental office is a struggle or impossible. Itani Dental offers Special Care treatment at home, offices, assisted living communities, and local hospital locations. We can travel within a 50 mile radius of San Francisco Bay Area.

COSMETIC AND FULL MOUTH REHABILITATION

Implants, Aesthetics and
Clear Aligners

Our team of experienced dentists, specialists, and anesthesiologists collaborate to complete extensive dental work in a timely manner with aesthetics, precision, and predictability.

Dr. Itani established Itani Dental San Francisco in 2009. He has served as President of California Hospital Dental Group, Vice Chair of the Dental Division at Kaiser, and as Commissioner for the Department of Aging and Adult Services for the City of San Francisco. He is a Diplomat of the International Congress of Oral Implantologists, and serves on the medical staff of California Pacific Medical Center and Kaiser Permanente Hospitals.
